PRINCIPAL'S MESSAGE

I'd like to welcome you to the Calimesa Elementary School Annual School Accountability Report Card and thank you for taking time to explore it. As Principal, I could not be more proud of our school, and am honored to have the opportunity to share the basis for such pride with you. The opportunity to do so has presented itself in the form of compliance with Proposition 98 and Federal No Child Left Behind legislation, which identifies the School Accountability Report Card as a required component that every school in California must issue. The purpose of this report card is to give you further insight into the quality educational program we offer.

It is the belief of Calimesa Elementary School that students can and will excel in an environment that is tailored to their evolving needs. It is due to this belief that we have been able to successfully develop a comprehensive educational system that celebrates and promotes ethnic and cultural diversity, individuality, and emotional, intellectual, and social eminence. We strive to provide students with not only the support and encouragement to accomplish such feats, but the means to do so as well.

In our long-standing tradition of excellence, we maintain our commitment to students, parents, community members, and staff to provide the best educational experience possible. We renew this commitment yearly in hopes that together, we will continue to improve our effectiveness in educating the students of today, preparing them to become productive citizens of tomorrow. It is in light of this fact, that we welcome any suggestions, ideas, or comments you may have. Thank you for assisting Calimesa Elementary School in making our students' experience here not only a memorable one, but an enjoyable one.

SCHOOL MISSION STATEMENT

Calimesa Elementary school is a community of learners dedicated to the successful growth and development of its members. Our school has adopted the following motto: We C.A.R.E. (care and respect everyone) at Calimesa. This is put into practice as students learn to be respectful; be responsible; and be safe. It is our belief that a positive behavior support system promotes a welcoming environment in which all children can learn.

DISTRICT AND SCHOOL PROFILE

Located in San Bernardino County, nestled at the base of the San Bernardino Mountains, the Yucaipa-Calimesa Joint Unified School District educated approximately 9,000 kindergarten through twelfth grade students from the diverse suburban communities of Yucaipa and Calimesa. The district is proud of its long tradition of academic excellence. The district is comprised of six elementary schools (Grades TK-5); one dependent charter school (Grades K-8); two middle schools (Grades 6-8); one comprehensive high school campus (Grades 9-12); a community day school (Grades 7-12); an independent study program PEP and PEP+ (Grades K-12); a continuation high school (Grades 9-12); a special education success program (Grades Preschool-12); and an adult education program. Yucaipa-Calimesa Joint Unified School District is dedicated to educational excellence and the continuous academic growth of all students.

Calimesa Elementary School, which operates on a traditional calendar, educates approximately 400 students in grades kindergarten through five. The school opened in 1956.

A Message from the Superintendent

Dear Yucaipa-Calimesa Community, Parents and Students

YCJUSD is honored to serve students in two wonderful communities. We as a team continue to prepare our students to be successful in the 21st century. We work collaboratively with community partners, businesses and colleges to provide the best possible education for each and every student. The district employs high quality employees, who care for student well-being as well as academics. We strive to provide high quality services and programs in a safe environment.

As you become a partner of the YCJUSD, please take the opportunity to be involved. It is our desire to work hand in hand with parents to support our children. The best way to get involved is to start at the school site. Our principals can help guide you to the many opportunities that exist. No amount of involvement is too small! We also offer classes for parents that will help you and your child in their educational journey.

The role of educating children in our two communities is taken very seriously and we appreciate your trust. My goal, as your Superintendent, is to ensure that high quality instruction is delivered daily, our campuses are secure and well maintained, money is spent wisely, and students graduate from Yucaipa High School prepared to be successful!

The 2015-2016 school year is the opportunity to work with you in supporting education of our children. Please do not hesitate to contact your principal or the district office if you have questions about the district or how to become involved.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (909) 790-8570 or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

The Yucaipa-Calimesa Joint Unified School District sets a high priority to ensure that sufficient and current textbooks and materials are available to support each school's instructional program. The district went through an evaluation on September 23, 2014, and has sufficient and good quality textbooks, instructional materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California.

All students, including Special Education and English Learner students, get their own individual textbooks in core subjects. These textbooks are for use in the classroom and/or to take home to complete required homework assignments. All textbooks and instructional materials used within the district are aligned with the California State Content Standards and Frameworks.

For grades K-8, instructional materials in all subjects were selected from the state's most recent list of standards-based materials. Instructional materials in grades 9-12 were approved by the Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

Calimesa Elementary School has an excellent library housing nearly 15,000 titles, not counting textbooks. The collection includes books, magazines, videos, DVDs, as well as reference and professional materials. The collection is labeled according to Accelerated Reader levels to ensure students choose books within their reading level. The library is staffed by an 18 hours-per-week library technician, and all classes in grades kindergarten through six visit the library, as a minimum, on a bi-weekly basis. A wide range of picture books are regularly read to students in primary grades and occasionally to students in upper grades as well. Two computer stations enable the students to access the collection through an online catalog and internet service is available for additional research. Students may also search the collection from their home computers via the school website.

The following chart shows the most recent textbook adoptions at Calimesa Elementary School.

School Facility Conditions and Planned Improvements (Most Recent Year)

FACILITIES MAINTENANCE

Calimesa Elementary School provides a safe, clean environment for students, staff, and volunteers. The school facilities are well maintained and provide adequate space for students and staff. The school opened in 1956 and currently includes a library, multipurpose room, staff room, 18 permanent classrooms, eleven portable classrooms, and two playgrounds.

The following table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

MAINTENANCE AND REPAIR

Safety concerns are the number one priority of Maintenance and Operations. District maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

CLEANING PROCESS AND SCHEDULE

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff of two to develop cleaning schedules to ensure a clean and safe school.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Calimesa Elementary School. The PTA has made generous contributions of time and money to numerous programs and activities such as the Book Fair, POPS (People of Pride) Assemblies, fundraisers, and Red Ribbon Week. Calimesa Elementary School is grateful for the many hours contributed by parent volunteers.

Parents are encouraged to be involved in their child's education through volunteering in the classroom, as well as attending school-wide events such as Family Night, the Book Fair, Back-to-School Night, Friday POPS assemblies, and various other school assemblies. Parents are kept informed of school activities through a beginning of the year school calendar, periodic newsletters, flyers, messages displayed on our marquee and weekly POPS assemblies.

Parents who wish to volunteer or participate in Calimesa Elementary School's leadership teams, school committees, and/or school activities may call the school's office at (909) 790-8570.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

Calimesa Elementary School updates its safety plan yearly. This plan is reviewed by the staff at the Back to School staff meeting at the beginning of each year. It was also reviewed by our site safety team in September of 2015. Fire, earthquake, and/or intruder drills are practiced monthly.

Calimesa Elementary School is a closed campus. During school hours the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and to wear a visitor badge during their stay. While we welcome visits by parents and community members, anyone wishing to be on campus during school hours should notify staff ahead of time. During lunch, breaks, and before and after school, yard aides, the principal, and teachers supervise students and monitor the campus.

In September 2009, the San Bernardino County Sheriff's Department conducted a Security Assessment at Calimesa Elementary. The assessment results indicated the campus is in good condition considering the age of the school. No issues of concern were recommended in the areas of Crisis Response and Disaster Preparedness; Agency Relationships and Reporting and Discipline Policies; Social and Cultural Considerations; and Staff Development.

Professional Development provided for Teachers

The district offers staff development annually where teachers are offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Staff development topics are developed through needs identified by staff surveys and current research. In 2014-15, the district offered 103 opportunities for staff development.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
